# 1. Installation

## Download Ajax Cart Extension

- Download the extension on the website:  
<http://www.tigren.com/product/magento-2-ajax-add-to-cart.html>

## Unpack Zip File

- After downloading, unpack the extension zip file

## Upload Files

- Upload all the files from the extension package to the root folder of your Magento installation

## Run Following Commands

- `php bin/magento module:enable Tigren_Core`
- `php bin/magento module:enable Tigren_Ajaxsuite`
- `php bin/magento module:enable Tigren_Ajaxcart`
- `php bin/magento setup:upgrade`
- `php bin/magento cache:flush`

# 2. Module Configuration

Enable Ajax Suite: Admin Panel => AJAX SUITE => Ajax Suite => General

The screenshot shows the 'Configuration' page in the Tigren Admin Panel. The left sidebar contains navigation links: DASHBOARD, SALES, PRODUCTS, AJAX SUITE, CUSTOMERS, MARKETING, CONTENT, REPORTS, and STORES. The main content area is titled 'Configuration' and shows the 'Store View' as 'Default Config'. A 'Save Config' button is in the top right. The 'GENERAL' tab is selected, showing settings for 'Enable Ajax Suite' (Yes), 'Auto Close Notification Popup' (Yes), and 'Popup Will Close After' (30 seconds). Two callout boxes provide instructions: a purple one for enabling Ajax Suite and Ajax Cart, and a green one for closing the Ajax popup automatically. A red-bordered box contains a note about enabling Ajax Suite to use Ajax Cart. The left sidebar also lists 'TIGREN', 'Tigren Store', 'Ajax Suite', and 'Ajaxcart'.

Popup Will Close After [store view] 30

Choose "Yes" to enable Ajax Suite as well as Ajax Cart

Choose "Yes" to close the Ajax popup automatically & set specific time for its existence (in second)

Popup Design and Effects

Since **Ajax Cart** module belongs to **Ajax Suite**, you must enable **Ajax Suite** to enable **Ajax Cart**.  
**Ajax Suite (FREE)** includes Ajax Cart, Ajax Login, Ajax Wishlist and Ajax Compare

## 2. Module Configuration

**Popup Design and Effects:** Admin Panel => AJAX SUITE => Ajax Suite => Popup Design & Effects

The screenshot shows the 'Configuration' page in the Tigren Admin Panel. The left sidebar contains navigation icons for Dashboard, Sales, Products, Ajax Suite, Customers, Marketing, Content, Reports, and Stores. The main content area is titled 'Configuration' and shows the 'Ajax Suite' module selected in the left sidebar. The 'Ajax Suite' configuration is expanded, showing the 'Popup Design and Effects' section. The 'Animation' dropdown is set to 'Fade In'. The 'Background Color' is set to '#fff'. The 'Header Background Color' is set to '#c215d9'. The 'Header Text Color' is set to '#fff'. The 'Button Text Color' is set to '#fff'. The 'Button Background Color' is set to '#80057e'. A color picker is visible at the bottom right, showing the selected colors. A yellow callout bubble points to the 'Animation' and 'Background Color' fields, stating: 'Select animation & background for the success popup'. The 'Save Config' button is located at the top right of the configuration area.

Choose "Yes" to enable Ajax Cart module

Edit the message on the success popup

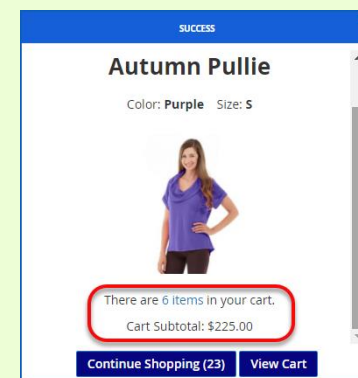

Choose "Yes" to show cart info (number of items & subtotal)

Choose "Yes" to show related products in the bottom of the popup

Notes: You have to set up related products for each product to show them on the popup.

**Message after adding products to cart**

**Cart information**

## 2. Module Configuration

**Set up Related Products:** Admin Panel => PRODUCTS => Catalog => Select a product

The screenshot displays the Tigren Admin Panel interface. On the left is a vertical sidebar with icons and labels for various modules: DASHBOARD, SALES, PRODUCTS, AJAX SUITE, CUSTOMERS, MARKETING, CONTENT, REPORTS, STORES, and SYSTEM. The main content area is titled 'Taurus Elements Shell-L-White' and includes a 'Back' link, an 'Add Attribute' button, and a 'Save' button. Below the title, there is a list of configuration sections: 'Product Reviews', 'Images And Videos', 'Search Engine Optimization', and 'Related Products, Up-Sells, and Cross-Sells'. The 'Related Products, Up-Sells, and Cross-Sells' section is highlighted with a green border. This section contains three sub-sections: 'Related Products' with an 'Add Related Products' button, 'Up-Sell Products' with an 'Add Up-Sell Products' button, and 'Cross-Sell Products' with an 'Add Cross-Sell Products' button. A large 'TIGREN' watermark is visible across the center of the page.

**Taurus Elements Shell-L-White**   ← Back   Add Attribute   Save

- Product Reviews
- Images And Videos
- Search Engine Optimization
- Related Products, Up-Sells, and Cross-Sells**

**Related Products**  
Related products are shown to customers in addition to the item the customer is looking at.   **Add Related Products**

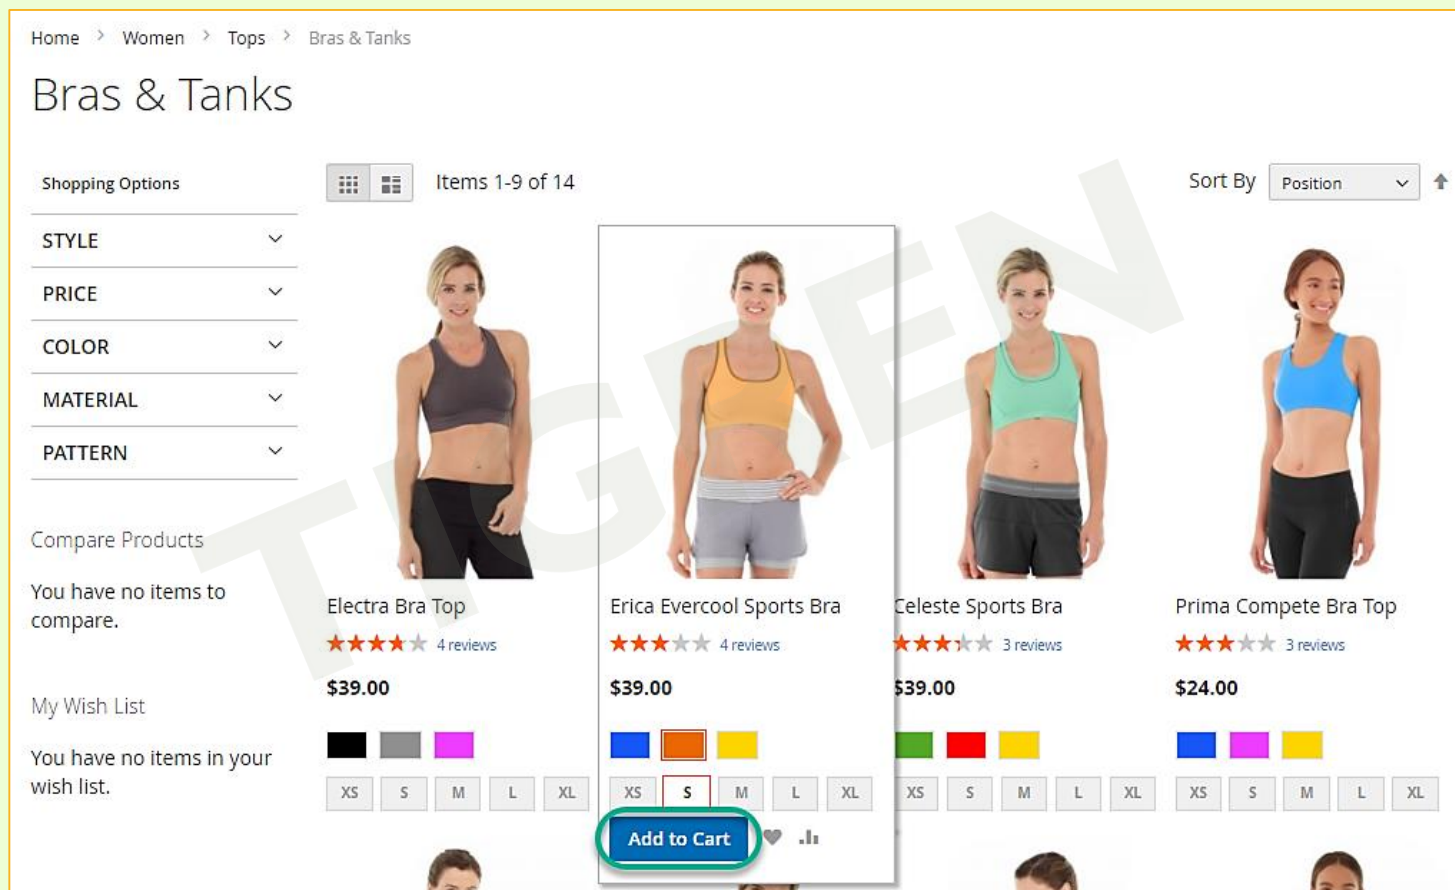

**Up-Sell Products**  
An up-sell item is offered to the customer as a pricier or higher-quality alternative to the product the customer is looking at.   **Add Up-Sell Products**

**Cross-Sell Products**  
These "impulse-buy" products appear next to the shopping cart as cross-sells to the items already in the shopping cart.   **Add Cross-Sell Products**
